The new English lectionary

From Advent Sunday, 1 December 2024, we have a new lectionary: the English Standard Version (ESV, a variant of the Revised Standard Version). The good news is that if you have the Universalis app, you can look up the new lectionary readings now, and can see the Sense lines intended to assist the reading of scripture text. For more information www.universalis.com.

The Synod has concluded.

After 3 years of listening and dialogue the Final Document of the Synod is here. What are you going to take away from the Synodal process?
