## Sixth Sunday in Ordinary Time (year C) - 13th February 2022

### Churches and Covid - Update

The Prime Minister has confirmed that England has moved away from 'Plan B'. Whilst caution is still expressed, many restrictions have been lifted as we try to move from 'pandemic' to 'endemic', both nationally and globally. In this area numbers still remain high, for instance on Thursday the number of children absent from our primary school due to confirmed Covid-19 positive tests was 53, i.e. 9% of the school. In this parish, within the context of our comparatively large congregations, we have tried to maintain a measured steady approach to changes we have introduced as the pandemic seemed to ease. For some this has been very frustrating, for many of the more vulnerable and anxious this has meant they have felt able to return and participate in the Mass feeling safe. Over the next few weeks we aim to introduce the changes which the Bishops conference has directed for us. These include a return to holy water at the entrance of our Churches, a reduced use of sanitization, and exchanging a sign of peace, though this does not have to be shaking of hands. Other measures now permitted such as the prayers of the faithful and the use of hymn books we have already re-introduced. Bishop Richard has issued some guidelines which he strongly urges us to continue:

- The wearing of face coverings for the protection of others and particularly during 'congregational singing'.
- A provision for social distancing for those who prefer this option.
- The use of sanitization on entry and exit from Church buildings.
- A good ventilation of the buildings
- Communion under one kind only

The Bishops of England and Wales have not restored 'The Sunday Obligation' but have issued a rich reflection on 'The Day of the Lord' which they urge everyone to reflect on. Their letter emphasizes the importance of Sunday and our call to Mass, *"our primary joy, for which there is no substitute, and from which we draw our strength.... When the Church speaks of the Sunday obligation it reminds us that attending Mass is a personal response to the selfless offering of Christ's love. At this time, we recognise that for some people there may be certain factors which hinder attendance at Sunday Mass. The pandemic is clearly not over....As your bishops, we recognise that these prevailing circumstances suggest that not everyone is yet in the position to fulfil the absolute duty to attend freely....We now encourage all Catholics to look again at the patterns which they have formed in recent months with regard to going to Mass on Sundays.... This review, and the decisions which arise from it, fall to every Catholic and we trust this will be done with honesty, motivated by a real love for the Lord whom we encounter in the Mass"*. The full letter can be found on the Bishops website and attached to our parish website.
